## BIG QUIZ NIGHT

### TOMCC MEMBERS BIG QUIZ

Club night on the 15<sup>th</sup> of Feb saw TOMCC Northants members taxing their brains in the Big Quiz. A mix of General knowledge and motorcycle related questions, set by our tasking quiz master Chris Halford. Phil Barton took the coveted trophy - The Hole in the Piston - with a magnificent 15 points, well done.

Club chairman took the opportunity to award Bob Swann with the less coveted Double-Digit Award for his recent fuelling disasters. I'm sure you'll all enjoy celebrating the award with Bob 😊

Once again, a busy month for Northants TOMCC members, with the Sunday 100 club arranging a variety of ride outs. Why not join a ride, or even lead one.

This Saturday saw the return of Westy's Triumph bike events, attended by at least 14 club members. Great to catchup with Lesley and Andy whilst the sun shone.

Don't forget to keep your contributions coming in, if you attend an event you want to share with other Triumph riders why not put down a few words, fill up the gaps with some interesting pictures and send it off to [TOMCC-Vibrations@hotmail.com](mailto:TOMCC-Vibrations@hotmail.com). Your contributions are always appreciated.

# SUNDAY 100

ENJOYING WINTER SUNSHINE RIDE OUTS

The Sunday 100 is an informal ride out with a group of friends who just happen to be members of Northants TOMCC. A cross between an organised ride and a last minute.com jolly, the Sunday 100 grew its legs during Covid to blow away the cobwebs from what seemed to be the longest enforced period of legal solitude any of us will probably ever experience.

A few of our longer toothed members packed up their butties, filled their flasks and set off for a few cross-country rides that maintained social distancing and ticked all the legal boxes, of course!

As with all good things, it grew legs and although the Covid restrictions eased, the Sunday 100 continued to thrive. February has seen some good (dryish) weather and back-to-back ride outs venturing into neighbouring counties.

## MELTON MOWBRAY – HILL TOP FARM CAFE

First weekend in February 10 of us headed over to Melton Mowbray Hill Top Farm Cafe (LE13 0SP).

The weather was chilly but bright, perfect for a cheeky little ride out with some nice grub in Melton, and Kirstie's first lead.

Although we didn't manage any controlled knee downs, the pace was good and everyone got home safe.

## LONG ITCH DINER

A week later and Toby took us on a jolly out towards Bicester, eventually stopping at Long Itch Diner for a cheeky fry up (CV2 9QZ). Whilst not the most spacious of cafes, grub was good, and the staff were ace. With only 6 of us daring to follow Toby, the weather held again and another Sunday notched up.

## SUNNY ST NEOTS

Step up Coops and his plan to ride out to St Neots. Not quite as far as some of the other rides, but a few nice twisties later and a cheeky little market town cafe (PE19 2AA) delivered on some wholesome biker nosh.

With 8 1/2 of us riding out (Jason's son doesn't quite qualify as a whole rider, just yet), we had a guest appearance from Philip who joined us at the cafe. Without tempting fate, another dry weekend ride out. And a big thanks to Matt who not only organised the ride, but highlighted a cheeky new [route tracker app](#) that allows photos and actual route taken to be shared with friends. 🍷 🍷 🍷 🍷

So, with thanks to the Sunday 100 founders, let's keep the wheels rolling and gets some new volunteers to pick a destination and lead a ride out. The only thing that matters is a safe ride and preferably somewhere to get some cheap and cheerful tea and toast.

# WESTY TRIUMPH

BIKE MEET AT WESTY TRIUMPH WITH ROMAN WAY BREWERY – WEEDON BEC

At least 14 Northants TOMCC members and significant others ventured out to explore what Weedon Garrison has to offer.

There were bikes of all kinds, from little 125's with learner plates, to some real classics. Wickes made an appearance and as usual, his stunning Tiger stood out against the backdrop of sports bikes in his row.

Saturday 25<sup>th</sup> February saw the return of bike meets with at Weedon Bec Garrison with Westy Triumph and Roman Way Brewery.

Turnout was excellent, shown to best effect via Mark's drone footage of the event. Whilst there is always a vast array of makes & models, it does seem as though our beloved Triumphs were the most represented brand.

The weather started off chilly but fine, which brought many out for their first ride of the year.

### MORE FROM WESTYS

The burger van produced some excellent wares, fresh salad and extra tasty burgers, much better than the average type we so often get palmed off with at similar events. Roman Way do a great cider, and there was copious free coffee and tea on tap from Westy's.

For those more discerning coffee drinkers, Industry & Supply coffee shop provided a jolly nice flat white and comfortable sofas (and some much needed heater when the weather took a cold spin). They also sell some rather delicious looking cakes and sausage rolls.

The local celebrity sidecar dog made a guest appearance. The lovely Dalmatian pup drew a small crowd of appreciative bikers and the bespectacled dog looked cool as he was chauffeured about.

Westy does regular bike evenings throughout the summer, with the brewery supporting a live band. When the weather is warmer, it's a great meeting place and local for many.

# SAMMY MILLER MUSEUM TRIP

NORTHANTS BRANCH WINTER OUTING

This year's chosen destination was to The Sammy Miller Motorcycle Museum.

As always, we come up with an adventurous idea and then circulate the information to all our Northants TOMCC members and guests.

Support was very slow for this event, numbers gradually built up; we needed at least 20 to make this outing a viable trip by Coach. Alas we did not get the required amount and a decision was made to go by our own transport.

On a bright chilly morning we set off on our journey from Pure Triumph at Wellingborough, Les Barras, Bob Swann, Tony Parker, Phil Barton, Chris Halford and Phil Short. The convoy of two cars made their way across country to The Sammy Miller Motorcycle Museum. Arriving at the destination in the late morning, we settled for a light breakfast snack from the resident Café.

It was a first time visit for the majority, who knew of the famous museum but never had the chance of getting to see it.

To summaries, as told by our Museum Guide, Sammy Miller's life has always been dedicated to motorcycles. As a boy he followed motorcycle racing in Ulster, Ireland and then went on to compete and win his first race in 1953. To date he still demonstrates and parades bikes today, over 69 years later. He won many British and European Championships from Racing to Trials.

Sammy was a leading figure in the development the Ariel World famous trial bike ridden by Sammy, he moved onto Bultaco and eventually Honda.

During this time, he still found time to restore rare and exotic bikes. His private collection of bikes was the start of the museum.

There are somewhere in the region of 375 to 500 motorcycles in the collection, the earlier number always on display, All working and running apart from we are told 4. When we took the tour around the eight Gallery areas, the visitors saw unique one off and the only one in existence of quite a few machines. As early as 1876 through to current day, Triumph-BSA-AJS-Norton, Vincent, Ariel, Velloccette and lots more from around the World. Some of which we had never seen or heard of.

Then there was the Racing Gallery Section, displaying the likes of NSU-Ducati-BMW-Honda-MV Augusta- Suzuki, Bianchi. Ridden by Famous Racing Motorcyclists from the past, Barry Sheene, Freddie Spencer, Kenny Roberts, Sammy Miller, Giacomo Agostini, John McGuinness to name but a few.

Not forgetting the Off Road Gallery, here we saw Trials Bikes making the limelight through The Scottish International Six Day Trials. A five times winner Sammy Miller MBE.

The Isle of Man featured with a great display of Manx Norton and Vincent's, this brought back several memories for Chris Halford and Phil Barton and Les Barras regular visitors to the Isle.

The group by this time had spit up into pairs and individuals making their way around the building, which had started life as a farm with lots of outbuildings. It forms the shape of a large quadrangle covering probably two acres. Including the historic Workshop used to restore and maintain the wonderful exhibits.

We had taken something like 4 hours to get around the area, stopping to reflect on the bike we had all owned or ridden over the years.

I was particularly impressed with the knowledge of my fellow guests, coming out with splendid information, how do they know this?

As we tired again it was time for an afternoon Tea and Cake, before preparing for the 130-mile journey home.

An earlier recognizance of the route had directed us to The Plough Pub in Brackley, here we had a meal and a pint and reflected on the day.

Our final goodbyes were exchanged and we made our way back to home. All in all a very good trip had by the Northants TOMCC Members.

We can only recommend it as one to put on your bucket list.

With Thanks to Bob Swann, Tony Parker, Phil Barton, Chris Halford and Phil Short.

## New Lodge Farm, Bulwick, Northants

The farm has been owned by the Singlehurst family for over 100 years focusing on cattle and sheep production by using traditional organic methods of farming.

Over the past 20 years the farm has evolved from livestock production to a highly respected provider of leisure and event catering services.

The farm is run by husband and wife team Simon and Sarah Singlehurst who have developed an award-winning farm shop, butchery and eatery as well as an adults only site for camping and touring caravan enthusiasts.

They have made use of redundant farm buildings thoughtfully brought back to life to house the shop, café bar and camping facilities and there is an eatery that delivers classic hearty cooking to satisfy all appetites.

Situated near the old market towns of Stamford, Market Harborough and Uppingham and set in beautiful countryside there is plenty to see in the area.
