Scribblings

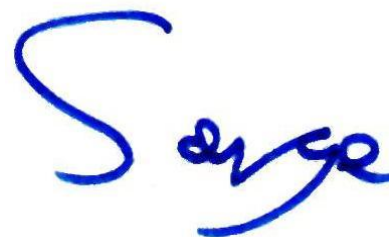

Apologies for the late arrival of Vibrations this month, unfortunately life keeps getting in the way and I've missed a few deadlines recently. Doing some development work for a new job whilst keeping the old one ticking over (and trying to remember which office I'm supposed to be in on any one day) has been trying, but that pressure should ease off by the middle of June when I move to the new office permanently. If I'm late with the July newsletter I'll have to find another excuse!

The 40th Anniversary celebrations for the Branch have been going well so far with the Branch Dinner and the hosting of the National AGM. We're now eagerly looking forward to the Triumph Day at Jacks Hill Cafe on 2nd July.

And for those who like puzzles, here is a Lateral Thinking problem for you to work out:

Under what circumstances would John Gibbs have to partially dismantle his bike in order to give me a lift home one Saturday night?

Thank you, John.

Membership Renewals

The Branch only sends membership forms off to HQ for processing twice a month (normally on the weekend after a club night). So, if you are posting off your renewal it will generally be quicker for you to send the form and cheque direct to the HQ address in Horley rather than to the Branch Membership Secretary.

Don't worry about the money as the Branch receives the same amount per person regardless of the method used to renew.

Alternatively, you can renew on-line via the club's website: <http://www.tomcc.org/Membership.aspx>; paying by credit card or PayPal account.

And if you do send your renewal to me make the cheque out to Triumph Owners MCC and not to Ian Sargent!

Founders Found

Three of the Branch's Founder members were our special guests at the 40th Anniversary Dinner in March. Seen here with Phil Barton are Tony Kuca, Bob Miller and Mike Thompson. Mike was the Branch Chairman for a while and also the National Club Chairman in the early 1980s.

Then at the National AGM on 2nd April we had a very special visitor from France: Mike Arnesen, who was the original Branch Chairman in 1977 - and another who went on to become National Chairman. Mike has recently transferred his membership from HQ back to Northants, so all we can say is "Welcome Home" (that's only in a TOMCC sense as he's still living in France).

Executive Officers' Reports

Chairman's Report:-

Welcome to the Northants TOMCC 41st AGM 15th March 2017 at The Crown Pub, Wellingborough.

2016 was very good year for the Northants TOMCC Branch, with our ride outs, shows displays and club nights, all well supported?

This branch is not a one-man show; it's a members club so I have to thank everyone for all their hard work and support. To everyone who took our branch Gazebo, without you we could not be able to put on these shows and promote our branch. We are very lucky to have a steadfast committee, not just for last year but also for many years. Phil Short, Les Barras, Sarge are all long standing members who have put a lot into the club, enjoying the good times and keeping it going in the hard times. Stephen Haughton for stepping in and taking on the responsibility for the WEB site, Garry Bonham for the ride outs. A new Thursday Ride out known as the – Wrinklies- will be run by our long standing member Norman Waples, watch this space.

Phil Short has held most positions on the committee and he is currently our Treasurer and PRO, Les Barras was scribe for many years is our Secretary; Sarge is our membership Secretary and our scribe.

What I am trying to say is that we need younger members to come onto the committee, and take over the joys of organising our branch of the TOMCC.

A full calendar of events just for you, it's time to enjoy your bike while you can.

With the national AGM with us in 2017 a big thank you to Chris Dickens, and our 40th Anniversary the next years will be very important to this club, I hope you will all give us your fullest support. Thank you all for attending and giving your valued input.

Thank you all for your support.

He gave out some statistics for the year passed and noted these were slightly different to last year in the Open Night attendance was not quite as good. See later table for the results.

He noted that there were some legal problems with the WEB Site Link to the Sales of Merchandise and the connecting link had been temporary disconnected. *(Post meeting note: HQ, Ken Talbot had made contact with LB and advised on the situation, LB to follow up on the suggestion).*
