# Scribblings

Apologies for the late arrival of this issue. As is so often the case, real life got in the way of compiling it. Hopefully the branch reports in Nacelle, the branch website and various posting on Facebook have kept you all up to date.

Still no new articles for this month, though I'm hoping that at least two will be available for the July issue. However I could still do with some more submissions on a variety of subjects: travel, bike restorations, racing; or even non-motorcycle related if you think that they would be of interest to branch members.

## Membership Renewals

The Branch only sends membership forms off to HQ for processing twice a month (normally on the weekend after a club night). So, if you are posting off your renewal it will generally be quicker for you to send the form and cheque direct to the HQ address in Horley rather than to the Branch Membership Secretary.

Don't worry about the money as the Branch receives the same amount per person regardless of the method used to renew.

Alternatively, you can renew on-line via the club's website: <http://www.tomcc.org/Membership.aspx>; paying by credit card or PayPal account.

And if you do send your renewal to me make the cheque out to Triumph Owners MCC and not to Ian Sargent!

## Northants Branch Info and News

Non-club members are welcome at all events unless specifically marked otherwise. Listen out for details at club nights, or check with committee members beforehand in case of short-notice alterations or cancellations. Except where indicated, club nights start at 8pm.

## Obituaries

### **Jim Wade**

It saddens me to have to tell you all that branch member Jim Wade passed away on Saturday 17th March.

He started motorcycling rather late in life but went at it with great enthusiasm touring all over Great Britain and Europe, going to many FIM rallies and Moto camps with his wife Betty.

He was also chairman of the Rockingham Forest Touring M/C club for some years, a club which we have visited several times in the past.

Some years ago Jim had a battle with cancer and found that the big touring bikes just too heavy, so he got a Triumph America and joined the Northants TOMCC enjoying many a Wrinklie ride out with us.

RIP JIM.

Phil Barton

### **Dominic Dowsey-Magog**

Dominic died suddenly in early April from a heart attack. Somewhat ironically, his last post on Facebook was a joke about his high-blood pressure.

I first met Dom at junior school, then we went to separate senior schools, only to meet up again to do our A Levels. Over the next few decades our paths crossed intermittently until he bought a house next door to another of my other friends so I was in regular contact with him again. Then three years ago he joined the Triumph Owners, having got hold of one of the early Hinckley Trophies.

His lorry-driving job and his two hobbies prevented him from getting to many branch events; those hobbies being crewing tall ships and the singing of sea shanties with various groups around the country.

One of those people who nobody had a bad word about, he will be much missed by all who knew him.

Sarge.

## A Good Deed

We had some 20 bikes turn up at Pure Triumph for our rearranged Wrinklies Run on 19<sup>th</sup> April, but before we set off I had a bit of a mishap! I put my gloves on the floor then my helmet on the seat while I took out my ear plugs. With the intention of putting my helmet on the gloves, but before I could do so the helmet rolled off the seat onto the floor breaking the visor attachment.

Chris D had a look at it and secured it so I could complete the run. Later that day I went to J&S where I got the helmet to see if it could be repaired? "Leave it with us." they said. The next day (Friday) I got a phone call: "Can you come over to the shop?". On arrival I was told the helmet was not repairable!, but as I only used it once the shop manager said we will give you a NEW replacement helmet FREE OF CHARGE.

Wow, they did not have to do that as it was totally my fault. This good deed deserves much publicity as we can give them.

A BIG THANK YOU TO J&S OF FINEDON

Phil Barton

## **Chairman's Report:-**

Welcome to the Northants TOMCC 42<sup>nd</sup> AGM 21<sup>st</sup> March 2018 at The Crown Pub, Wellingborough.

This time last year I reminded everyone that 2017 was our 40<sup>th</sup> year and asked all members for their full support in our Anniversary year. Well I would like to **thank you** all, because you did our Branch proud.

The year started well with almost 100 TOMCC members attending the national AGM, which was on our patch for the 1<sup>st</sup> time.

Our Triumph Day at Jacks Café was an outstanding success, the shows we attended and our other events have been very well supported.

To the members who organised events - Chris Dickens. Steve Rattley. Les Barras. Norman Waples. The members who took our branch Gazebo to the shows, Sarge for his write ups in the Nacelle & Vibrations, to those who just turn up on the day to support our event, Thank You one and All.

So sorry if I have missed anyone out, but so many people have helped out in 2017.

I believe we have one of the best, if not the best TOMCC branch in the Country. Dare I ask you all to do it again in 2018?

Well I will, I am asking, let's make sure the Northants Branch stays at the Top of the Pack.

**Phil Barton, Chairman**

## **Membership Secretary's Report;**
